Central Intelligence Agency  
Office of the Deputy Director for Intelligence

DDI #4191-93  
9 June 1983

NOTE FOR: Richard Beal  
Director, Crisis Management  
Support and Planning  
National Security Council

FROM : Associate Deputy Director  
for Intelligence

We are nominating three individuals for positions in the Crisis Center. All are respected analysts and have backgrounds that would be valuable for your operation. All are interested in the assignment as well.

Because of their somewhat diverse backgrounds--one with a focus on collection, another as an analyst and operations officer, and the third from the S&T and arms control area--you may be interested in more than one for a current assignment.
